

Innova[®] Nasal CPAP

The **Innova[®] Nasal CPAP** mask features patented AIR^ogel with Advanced Cushion Technology and Active Headgear Connector[™]. Together, they provide an optimal fit, maximum comfort, and freedom to move without breaking the seal.

Move Freely with Our New Nasal Mask

AIR^ogel

Maximum comfort, minimum weight. Our patented AIR^ogel minimizes pressure points and skin irritation.

Touchless Spacebar[™]

Unique design eliminates any contact with the patient's forehead.

Size Indicator

Available in three sizes.

Advanced Cushion Technology (A.C.T.)

Our ergonomic cushion technology delivers an effective seal for the most comfortable fit.

Quick-Release Headgear

Lightweight, breathable headgear slides off easily with one hand.

Active Headgear Connector

Moves as you move for a reliable seal.

360° Rotating Elbow

For optimal tube positioning and easier mobility

100% designed and manufactured in the USA • Made with environmentally conscious production practices • Our products are backed by our iron-clad warranty against manufacturing defects.

What makes the Innova Mask different?

- The unique Active Headgear Connector moves when you move to help maintain a seal throughout the night.
- Easy-to-use with a Quick-Release Headgear Connector.
- Touchless Spacebar™ eliminates any contact with the forehead, yet retains stability.
- Available in two sizes with 4-point simple and breathable headgear.

About AIR°gel

Patented ergonomically designed AIR°gel cushion delivers an effective seal with no irritating pressure points on the skin.

Does not contain natural rubber latex
