Swift™ LT NASAL PILLOWS SYSTEM

Light touch, Easy fit

Featuring...

Light touch, quiet comfort

- **Compact and streamlined design**
Minimizes facial contact while offering stability with a secure seal (ideal for active sleepers)
- **Soft, flexible and stable headgear**
Flexes and adjusts to your facial width and minimizes facial marks
- **Dual-wall nasal pillows**
Sit on a flexible pillow base and seal softly to reduce airflow into the nasal passages for maximum comfort
- **Lightweight design**
Weighs only 2.3 oz (67 g), one of the lightest on the market
- **Unique vent design**
Delivers super quiet performance, making Swift™ LT the quietest on the market

Personalized fit and comfort

- **Rotating barrel**
Allows you to personalize the most comfortable fit the first time, every time for your nasal pillows without over-tightening your headgear
- **Flexible lightweight tubing**
360° swivel enables multiple sleeping positions, including side or back
- **Optional tube retainer**
Clicks onto top of headgear for multiple tubing positions including side and back sleeping

Easy to fit, easy to use

- **First-time fit**
Ready to fit straight from package with minimal adjustments
- **Three pillow sizes (S, M, L) included**
Allows you to find the perfect fit
- **Fewer parts**
Allows for trouble-free cleaning and assembly
- **Convenient drawstring bag**
Fits your lifestyle and travel needs
